SOP for Registration & Application in PDMC Portal

Open the URL- http://jharkhandpdmc.com/ , on the right side of the header there are two buttons: Login and Farmer Details.

1. Check beneficiary.

i. To check whether a farmer availed any subsidy earlier in PDMC or not, click on Farmer Details button.

ii. A Window will open, enter Farmer Aadhaar no and click on submit button. If that farmer hasn't received any subsidy earlier than a pop window will appear giving message – Farmer Application does not found.

iii. And if a farmer has received subsidy earlier than his application detail will appear. Following detail will be displayed- Application no, MI Area, District Farmer Name, Fathers name, Company Name, submitted date and Year.

For new registration click on login button and follow the following steps:

2. Farmer registration

i. Enter farmer Aadhaar no. and then Mobile no.

ii. Authentication of Farmer Mobile no by entering the OTP received.
If farmer's mobile no is not available, then wait for 60 seconds and then again enter the same Aadhar no, it will direct login to the registration page.

iii. Fill the following details of the Farmer for Registration:

Personal Details
Farmer First Name
Farmer Second Name
Fathers/Husband Name
Photograph
Gender
Category
Date Of Birth
Soft Copy of Aadhar (To be uploaded)

Address of the Farmer
Select Division
Select District
Select Block
Enter Panchayat
Enter Village
House No.

Land Details
Khata No.
Total Area of the Farmer in Hectare.
Online Declaration is to be submitted.

Enter the above details and press the submit button for registration.

NOTE: After Registration of farmer a unique ID will be generated and sent to the registered mobile no which will be used in application process.

After registration if Farmer wants to edit his profile, then he can edit by clicking on Edit Profile button and update the details and submit again.
